

Chris Mishler Bio

As of October, 2016

Chris Mishler, CMA, CIA, CISA

Experis Finance – Senior Consultant, Subject Matter Expert

Chris Mishler has been a consultant with Experis since 2005, primarily focusing on for the Finance Operations, including Risk Management such as internal controls. Recently, he has joined the Data Analytics Leadership Team at the firm. Previous to Experis, Chris was the Controller and VP of Administration for a products importer and distributor. As a subject matter expert in User-Developed Application Risks, Chris has assisted organizations in identifying, diagnosing and remediating risks in their key or high risk Excel files.

Chris also serves as the Chair of the Institute of Management Accountants (IMA) Technology Solutions and Practices Committee. This group strives to identify emerging accounting and finance tech trends to enable the IMA's 82,000 members to enhance their knowledge of key new technologies.

Educationally, Chris has a Bachelor's and Master's degree in Educational Psychology from the University of Michigan and an MSA from Eastern Michigan University. He has earned the Certified Management Accountant, Certified Internal Auditor and the Certified Information Systems Auditor designations.
