## Profile

Mr. Hannan is a Director in Crowe's Risk Service Group with over 25 years of experience, including risk consulting, internal and external auditing, controllership, and management consulting roles.

## Professional and Industry Experience

Mr. Hannan is the Midwest Managing Director in Crowe's Risk Service Group with over 26 years of experience, including risk consulting, internal and external auditing, controllership, and management consulting roles. His focus is primarily on multi-national public companies in the manufacturing, technology and retail industries. Key practice areas include:

- Revenue Recognition Solution Leader
- Leading world-class internal audit functions and enterprise risk management (ERM) programs
- SOX Compliance and Optimization solutions, including IPOs
- Specialized technical, process analysis and improvement projects
- Developing innovative, practical solutions to reduce risk and improve performance
- Thought Leadership

Jim started his career with KPMG's external audit practice, moving after eight years to a Corporate Controller role at the Martin-Brower Company LLC, a \$4 billion distributor for McDonalds Corporation, then joining Crowe in 2006.
