Residence

### President's Message

Can you believe it is almost February, soon we will be talking about Spring. We now must start looking at how we can achieve the rest of the goals that I set at the beginning of the year. Yes, we received some unhappy news that Harlan Mettler past away, but he would want all of us to achieve success for the chapter and for our profession. Therefore as hard as it will be to move forward without his guidance and insight we must honor him by reaching as many of our members as we can. I therefore, ask you to attend at least one meeting before the end of April and of course the Student Conference. If all of us attend at least one meeting and the conference I believe we would increase our Professional Development numbers high enough to balance out the other areas where we are deficient. I cannot think of a better way to honor a person who devoted so much time to the IMA and the Michiana Chapter then going to Las Vegas in June and picking up a banner for the Chapter.

**John H. Engel**  
President, Michiana Chapter

**Professor's Corner:**

It is TAX TIME! How did this obligation sneak up on us so quickly? Whether you love them or hate them most of us have to file a tax return. Brown Mackie College tries to make this process less painful for our students by running a tax clinic to help them e-file their federal and state returns. We hold a daytime and an evening tax clinic so that all students have a chance to participate. Are you a retired tax preparer and would like to help out our students? Contact me as soon as possible as these clinics will be held the third and fourth Wednesdays of February, on the 15<sup>th</sup> and the 22<sup>nd</sup>.
