Professor's Corner:

Congratulations to Terri L. Dobrzykowski, CMA
and Donald M. Wolf, CMA, CFM, the Michiana
Chapter's newest CMA's!!!! Kudos to both of you.
I would like to welcome student members who are
new or renewed for this program year: Karen Miller,
Southwestern Michigan College, Xiao Ling,
accounting intern, Chris Seanor, IUSB Graduate
School of Business and Alzene Shugarts, recent
Southwestern Michigan College graduate and placed
at Goodwill Industries of Michiana. A warm welcome
to all of you and keep up the good work!

I am repeating our request for mentors to participate in our Student Mentor program. This program is NOT a huge time commitment. In fact, your communication can all take place via email or phone, if you wish. Please consider participating and giving back to a student just as you were mentored during your college years.

Lastly, Brown Mackie College is getting its student chapter off the ground this semester. More information will follow next month. All students are invited to participate regardless of where you attend.

Food for thought from my Lean Accounting presentation at our February 15, 2011 chapter meeting: “(Almost) nobody in your company understands the P & L.”
