Professor’s Corner:

As has been our tradition for many years Dr. Ken Milani, Accounting Professor at the University Of Notre Dame will speak to our group in September. Students appreciate his enthusiasm and humor (yes, there is humor in accounting) and look forward to taking his classes. September would be an excellent opportunity to bring a student with you to the meeting. If you know of a student who would benefit from experiencing a chapter meeting and Ken’s presentation I encourage you to invite them. If you do not know a student and would like to host a student for the meeting please contact Jenni Mistich desade-nicodemus@hotmail.com or me bbengell@comcast.net and we can provide the contact information.

Brenda Engel, MBA

Professor-in-Residence

From the President:

As we start our programs, I would like to thank a few people. I want to again thank the Board of Directors for their support, without them we could not function as a chapter. I also would especially like to thank Jenni Mistich for taking on the role of President Elect; this will be a big job because she will need to put up with me. I would also like to thank the rest of our Officers: Grant Williams our Secretary and Carrie Jenkins our Treasurer and of course my wife Brenda Engel the President Emeritus we did not have a banner year last year but we were close and with all of your help we hope that we can change that this year. Please come to one of our meetings to meet your officers and to experience what we hope will be great programs this year.
